The Property

A beautifully presented three-bedroom semi-detached home, set within a quiet spot just a short walk from the centre of Charlbury, with thoughtfully designed interiors and a landscaped garden.

Built in 2018, the property is set back from the road behind a front garden filled with lavender and ornamental trees, offering a welcoming and colourful approach. Inside, the ground floor benefits from underfloor heating throughout, beginning with a spacious entrance hall that leads to a study overlooking the front garden, a cloakroom, and a useful storage cupboard.

To the right, the triple-aspect living room is full of natural light and features a bay window to the front, a gas fireplace, and patio doors leading to the rear garden. At the back of the house, the kitchen/dining room is a superb space for everyday living and entertaining, with a central island, Cuisinemaster range cooker with five-ring gas hob, and integrated appliances including fridge, freezer, and dishwasher. Bifold doors on one side and patio doors on the other provide a strong connection to the garden and create a bright, airy feel. A separate utility room offers additional storage, an integrated washing machine and freezer, a sink, and access to the outside.

Upstairs, a light-filled landing with engineered oak flooring leads to three generous double bedrooms. The principal bedroom enjoys far-reaching views across to the Cornbury Estate, built-in wardrobes, and a stylish ensuite shower room. A second shower room with Velux window for added natural light serves the other bedrooms. The attention to detail and quality of finish throughout the house reflects a careful and considered approach to both layout and design.

Outside, the garden has been thoughtfully landscaped, with a sunny paved terrace leading up to a lawned area with mature, well-planted borders. Gated access connects the front and rear of the house, and there is a detached double garage with rear gate and two private parking spaces. The front garden, with its established lavender and small trees, creates an inviting and peaceful setting.

Charlbury offers excellent local amenities, a strong sense of community, and mainline rail links to Oxford and London, all within easy reach of the Cotswolds countryside.
