Country Holmes offers this truly bespoke property, planned, designed and built by our client. Mill View House is built with fully insulated local grit stone and sits in a good size plot in a private cul-de-sac location. The property has many features including underfloor heating throughout, aluminium door, windows, gutters, and downspouts, a blue slate roof. The property has vaulted ceilings on both floors with numerous Velux skylights providing a light ambience throughout. Externally the property benefits from ample parking, a detached garage and workshop with a south facing garden and balcony off the bedroom. A truly exquisite property which must be viewed to appreciate the full extent of the offering.
