Agent Remarks

Country Holmes is delighted to present this charming stone-built two-bedroom home, available with no onward chain. Brimming with character and offering wonderful potential, this lovely property would benefit from some light cosmetic updates—providing the perfect opportunity to add your own personal touch.

The home features an inviting entrance porch that opens into a cosy lounge, leading through to a generously sized kitchen/diner—ideal for both everyday living and entertaining. Upstairs, you'll find two spacious bedrooms and a large family bathroom, offering plenty of room for comfort and relaxation.

To the rear, a beautifully planted cottage garden provides a peaceful outdoor retreat, complemented by a practical stone outbuilding, perfect for storage or a workshop.
