

THE CROFT & THE BRAMBLES

MOORES ROAD
DORKING, SURREY

DISCOVER DORKING THE JEWEL OF SURREY

“ Nestled in the scenic hills of Surrey, Dorking is a picturesque village that seamlessly blends historic charm with modern convenience. Surrounded by the breathtaking Surrey Hills Area of Outstanding Natural Beauty, Dorking offers a unique lifestyle that appeals to families, professionals, and retirees alike. ”

THE CHARM OF DORKING

Renowned for its quintessential English village appeal, Dorking's town centre boasts a charming array of independent shops, cafes, and traditional pubs, all housed in beautifully preserved historic buildings.

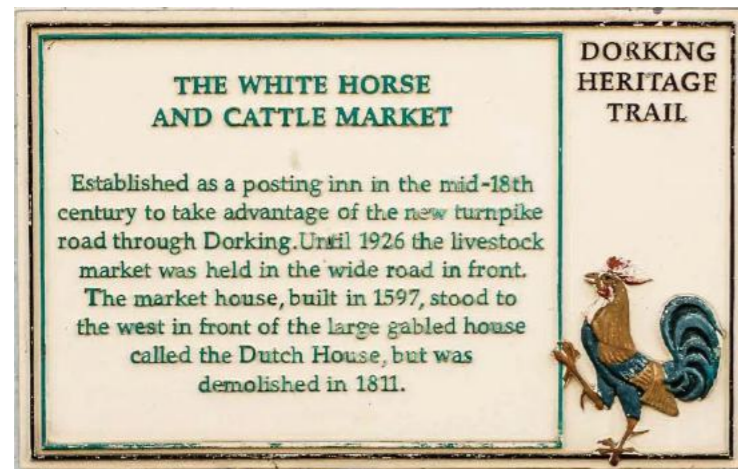

The local market, held since medieval times, continues to be a vibrant hub for fresh produce and artisanal goods.

A WELCOMING COMMUNITY

Living in Dorking means becoming part of a warm, welcoming community. The village boasts a rich cultural scene, with local theaters, art galleries, and community events that bring residents together throughout the year.

Excellent schools, both state and independent, make it an ideal location for families seeking quality education within a supportive community environment.

DISCOVER YOUR NEW HOME

Welcome to Moores Road, Dorking, where we've crafted two highly specified semidetached houses that perfectly blend luxury with sustainability. These homes are more than just residences; they are a statement of responsible living, designed with the future in mind.

“ Step into a home that not only reflects your taste but also your commitment to the environment. ”

CUTTING-EDGE RENEWABLE ENERGY

Embracing modern technology and sustainability, each home is equipped with an advanced Air Source Heat Pump. This innovative renewable heating source ensures your home is warm and comfortable in the colder months, while significantly reducing your carbon footprint. Additionally, the inclusion of fan coil radiators in the bedrooms provides cooling during the hot summer months, ensuring year-round comfort for you and your

EXQUISITE CRAFTSMANSHIP WITH LOCAL CHARM

At the heart of these beautiful homes lies a commitment to using locally sourced timber. From the robust superstructure to the finely detailed kitchens, staircases, wardrobes, skirtings, and architraves, every inch of these properties showcases the elegance and durability of responsibly sourced materials. The warmth of natural wood, meticulously crafted by local artisans, brings a unique charm and high quality that's evident throughout the homes.
