THINGS TO DO

RESTAURANTS

The central area of Crystal Palace and Upper Norwood is rich with options for eating out, any time of the day. Crystal Palace Market (not to be confused with the Saturday morning food market) is a busy, all-day eatery with delicious British cuisine amongst modern, industrial interiors. Meanwhile, Smoked Bone serves-up an altogether more American affair with burgers, ribs, chicken and even a weekend brunch menu on offer. Joanna's has been a local favourite for a long time with their signature burger and Sunday roast menu a mainstay. A plethora of alternative cuisines are available, with the likes of Yak & Yeti (Nepalese/Indian); Four Hundred Rabbits (pizza); Kish Mish (Persian) and many more all within walking distance of the development.

THINGS TO DO

CAFE CULTURE

The Triangle area is dotted with cafes, brunch spots and coffee houses - Four Boroughs Coffee is a must-visit for coffee aficionados. Brown & Green is a popular location with food & coffee lovers and they have even branched out to open satellite spots at the train station and in the nearby park. Cadence Performance Limited is a hub for the more active coffee drinkers in the area, also playing host to a cycle shop and yoga studio.

A FRESH PERSPECTIVE

THINGS TO DO

PUBS & BARS

The night life in the area is buzzing with a number of pubs and bars offering wide-ranging drinks and food options. Westow House is perhaps the largest destination in the centre of Crystal Palace, with vintage décor and live music attracting punters over the weekends. The likes of The Faber Fox, Walker Briggs, The White Hart and The Alma offer different takes on the pub/bar experience with an eclectic mix of locals attracted to each. Cocktail Embassy also provides a fun yet sophisticated cocktail experience to residents.

THINGS TO DO

RECREATION, HOBBIES & LANDMARKS

There is much more than a busy drinking scene to keep you occupied. Lovers of yoga & fitness (Bamboo Fitness; The Yoga Edge; Cadence Performance & more), athletics (at the Crystal Palace National Sports Centre) and cooking (Yuki's Kitchen sushi classes, Crystal Palace Food Market and more) are all catered for. There are activities and excursions for the family too with the Crystal Palace park playing host to a maze as well as a walk that takes in a range of dinosaur models, first commissioned in 1852 to accompany the Crystal Palace Exhibition. Architecture enthusiasts can marvel at the stunning arches of the Crystal Palace subway whilst football fans could do much worse than to take in the roaring atmosphere at Selhurst Park.
