Build the Life You've Imagined - A rare opportunity to build something remarkable at the foot of the Lomond Hills

Introduction

Plot 1, a fully serviced self-build plot located on the edge of Strathmiglo, a well-connected village in North East Fife known for its traditional charm and community feel.

One of just two available plots, it offers the chance to create a home that works for your lifestyle—surrounded by open countryside, with the Lomond Hills as a striking backdrop. With full planning permission already in place and a plot size of [insert exact size], it's ready for someone with a vision to bring it to life.

Prime Location and Connectivity

Strathmiglo is a charming, traditional village that boasts a welcoming community atmosphere, local shops, and the popular Railway Tavern pub, all set against a backdrop of stunning countryside. It's home to a well-regarded nursery and primary school, and lies within the catchment for Bell Baxter High School—only a 15-minute drive away in nearby Cupar.

Perfectly positioned for commuting, the village sits just off the A91 with straightforward connections to Perth, Dundee, St Andrews and Edinburgh. The historic Royal Burgh of Falkland is just a short drive away, offering artisan shops, cafes and beautiful woodland walks.

Unparalleled Setting

Enjoying a private position at the edge of the village with uninterrupted views of the Lomond Hills Regional Park. The surrounding landscape is not only breathtaking—it's an open invitation to embrace the outdoors, with hill walking, cycling and nature right on your doorstep.

Here, you can enjoy the slower pace of rural life while still being connected to everything you need.

FROM VISION TO REALITY

This is more than a land purchase—it's a complete opportunity to build your home with confidence. Recognising that self-build projects can feel overwhelming, the team at Stone Acre has carefully considered every step of the journey. With planning permission in place for an architect-designed home, they've also partnered with trusted local experts, Thomson Project Management, to support you throughout the process. Offering a full project management service, they'll help bring your vision to life—coordinating contractors, sourcing materials, managing timelines and budgets—so you can focus on the exciting part: creating a home that's truly yours.
