Seller Insight

“ The pretty conservation village of Cottisford is located on the north Oxfordshire border, and it is surrounded by attractive countryside. Many of the village houses are stone built. In the heart of this beautiful village, gently tucked back from the road, is this magnificent property, which has been a much-treasured family home for its present owners for the past seventeen years.

Having sold their original property, the owners were house hunting and searched long and hard. Driving through this quiet village one day, they came across The Stone Barn for sale. The idyllic location, combined with such easy access to a wealth of amenities, ticked all their boxes. The style of the house has a natural, traditional familiarity; however, since coming to live here the owners have undertaken many innovative alterations. These changes added to its practicalities, comfort and luxuries, whilst respecting much of its intriguing past, with several historic features cleverly incorporated. Included in the “tweaks” was the addition or conversion of several rooms, thereby adding to the flexibility of their accommodation. This home is a delight to share with friends and family, and has been a much-loved venue for many formal and relaxed gatherings. The sun room opens out onto a sheltered sunny area where the owners enjoy dining or a quiet drink.

Cottisford, although small, has a strong and friendly community, where everyone respects the privacy of others. It is a stunning location in which to experience a pleasing rural lifestyle. There is little passing traffic and its surroundings are popular with walkers and cyclists. Convenient amenities are available in the towns of Buckingham, Bicester and Brackley. Banbury and Oxford are within easy reach. Major roads and motorways are close by, and Bicester or Milton Keynes offer main line rail service. There is a wide choice of both state and independent schools nearby, and sports and leisure pursuits are plentiful, including racing at Towcester and motor racing at Silverstone.

This had been such an incredible home and location for the owners, who have adored every second of their life here. They wish its new owners much happiness and joy.*
