Seller Insight

“A charming family home in Padbury offers an inviting blend of community spirit, countryside living, and modern convenience that creates the perfect setting for family life. Having lived in the house since 1997, they were initially drawn by the idyllic village environment, the safety and sense of community, and the expansive yet manageable garden that has served as a playground for their children and a venue for family fun. The cul-de-sac setting, where eight homes overlook a central green, fosters a sense of security while maintaining the privacy of their sizable 400m² garden, which backs onto unspoiled countryside.

For the family, one of the home's standout features is its connection to nature. The conservatory, a favourite spot, becomes a sunlit retreat in the winter, with the underfloor heating. In the summer, it's a cool and breezy space for relaxation, seamlessly blending indoor and outdoor living. Beyond the conservatory, the home opens up to stunning views of the surrounding countryside, owned by All Souls College, Oxford, which has preserved this tranquil landscape for generations.

Our home has been the heart of countless family celebrations, from 18th birthdays to wedding anniversaries, with the garden spacious enough to host marquee events for 80-90 guests. The open-plan kitchen, dining room, and conservatory make entertaining effortless, ensuring that family and friends can gather comfortably in all seasons. The couple's careful updates to the home, including the addition of the conservatory and kitchen upgrades, reflect their thoughtful approach to creating a space that balances practicality with elegance.

The layout of the house is ideal for family living, with generously sized bedrooms that have easily accommodated their children from infancy to adulthood. Natural light floods the south-facing back of the house, with fresh air and peaceful countryside views adding to the sense of serenity. This home is more than just a place to live—it's a sanctuary where James and Nicky have enjoyed walks across miles of countryside with their dog, easy access to local pubs and shops, and the comfort of a close-knit community.

Padbury's village life offers everything the family could ask for, from the thriving football and tennis clubs to the excellent local school and nearby amenities in Buckingham, Oxford, and Milton Keynes. The upcoming East West Rail will further enhance connections, making travel even more convenient for the future owners. For James, the ease of commuting to London and quick access to airports has been a significant advantage, making this home both a retreat and a launchpad for business travel.

The couple's advice for future owners is simple: immerse yourself in the community. Get to know your neighbours, frequent the local pubs, and embrace the warm, welcoming spirit that makes Padbury such a special place to live. Though James and Nicky will miss their beloved home and the friendships they've built, they are confident that the next owners will find the same joy and fulfilment they have experienced here.*

“Outstanding. Chris could not have made the experience of buying a house any better.

The communication throughout the whole process was incredible. Chris offered advice when ever it was needed, made himself available at all times of the day (often very late at night - sorry Chris!) and followed up on questions with lightening speed. We were nervous buyers due to our circumstances of returning to the UK recently and needing a home quickly. Chris kept us informed and even reached out simply to let us know if there wasn't an update. This made a huge difference and kept us confident and reassured.

Chris' genuine care made us feel part of the local community before we even arrived. And our children look forward to seeing him like a family friend. We sincerely feel very very fortunate that Chris happened to be the agent for our house purchase. Thank you Chris!”

“Chris Mobbs is an exceptional agent we would recommend to anyone. He was so helpful from the very first interaction, listened to us and helped the process go through as smooth as possible. Chris made a normally stressful process fun, due to him working so hard and having the answers before we had to ask. Cant recommend him highly enough.”
