Stowe Castle

Stowe Castle is one of the most notable homes in Buckinghamshire.

Set within private grounds, the house has 60ft castlellated walls and many stunning character features throughout to include marble fireplaces, flagstone floors and cornicing, in addition to window seats and shutters.

Located just a short drive from Stowe School, this historic home has been designed by a highly acclaimed interior designer to provide wonderful accommodation throughout.

The Main House:

Ground Floor

Upon entering, the impressive reception hall has a sweeping staircase that leads to the first floor with access to the cloakroom/WC, whilst a door leads down to a spacious cellar.

The breakfast kitchen has a central island, a five oven Aga, a range of built in cupboards and walk in larder.

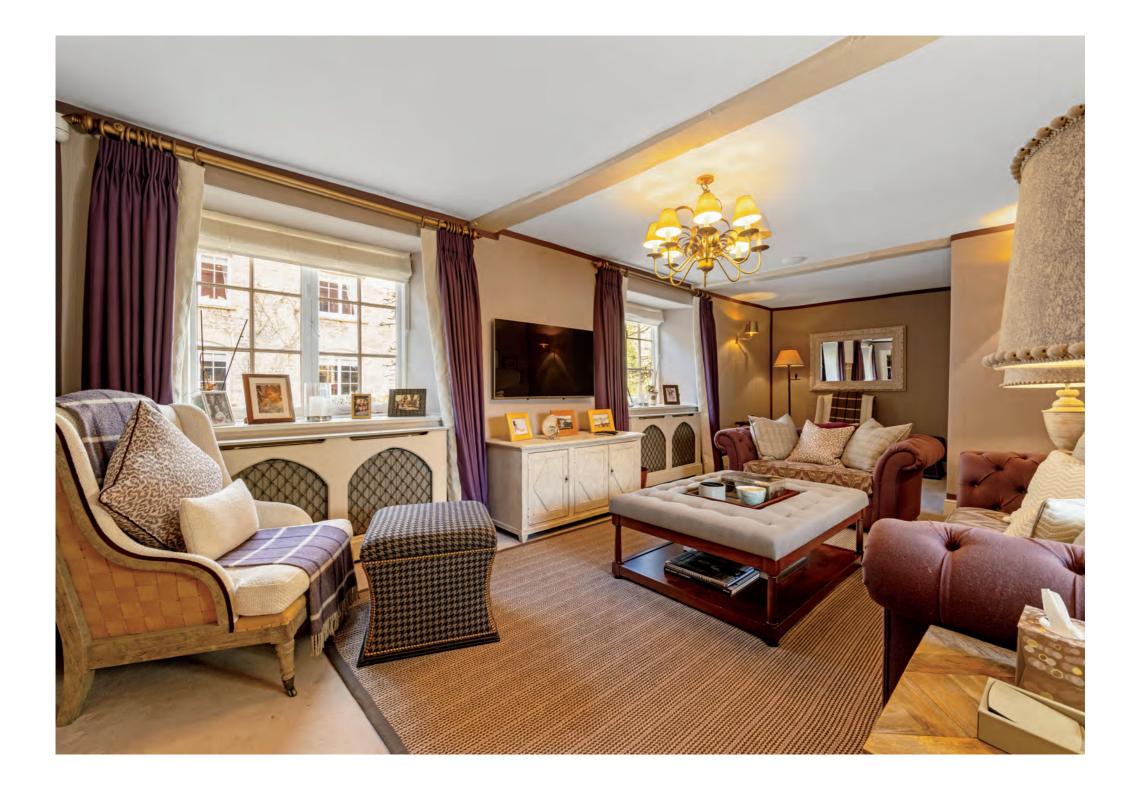

Access is provided to the boot room which has a door which leads out to the rear garden where an outdoor kitchen can be found.

There are three excellent reception rooms, a family room, a formal dining room and the outstanding drawing room which has a bar area.

Seller Insight

We purchased Stowe Castle as we were immediately drawn to its wonderful grandeur and the fact that it is such a statement piece, not just locally but nationally.

We have hosted many occasions at the castle, catering for many guests as it really is the most wonderful place to host any social gathering.

The barn is something we especially love which has the most incredible entertaining areas to include the games room with space for a pool table and the bar to unwind after dinner parties.

When we have had guests coming from further afield, the helipad has been superuseful.

However, for anybody commuting to and from the castle, we also love how central it is, allowing friends and family to arrive with ease from anywhere around the country.

Stowe Castle also benefits from its close proximity to Stowe School, highly renowned as one of the best private schools in the UK.

However, for us, we have just loved exploring the beautiful grounds and have also enjoyed the wonderful feeling of safety whilst closed away in the castle found at the end of the long drive.

Within the castle itself, we still marvel at the wonderful features, passageways and character that our home oozes, however we now feel it is the right time to allow a new family to enjoy the many things Stowe Castle has to offer."*

The Barn

Stowe Castle also benefits from having a 2,700sqft barn which could invite multi-generational living, or for the benefit of additional accommodation.

To the ground floor, there is a kitchen and cloakroom/WC, two large reception rooms, one used as a There is a kitchen, living room, bedroom and WC. playroom, the other a large sitting room/cinema room. Glass and oak stairs lead up to an outstanding games room with an adjacent bar, with access provided to a double bedroom with a superb en-suite.

Staff Cottage

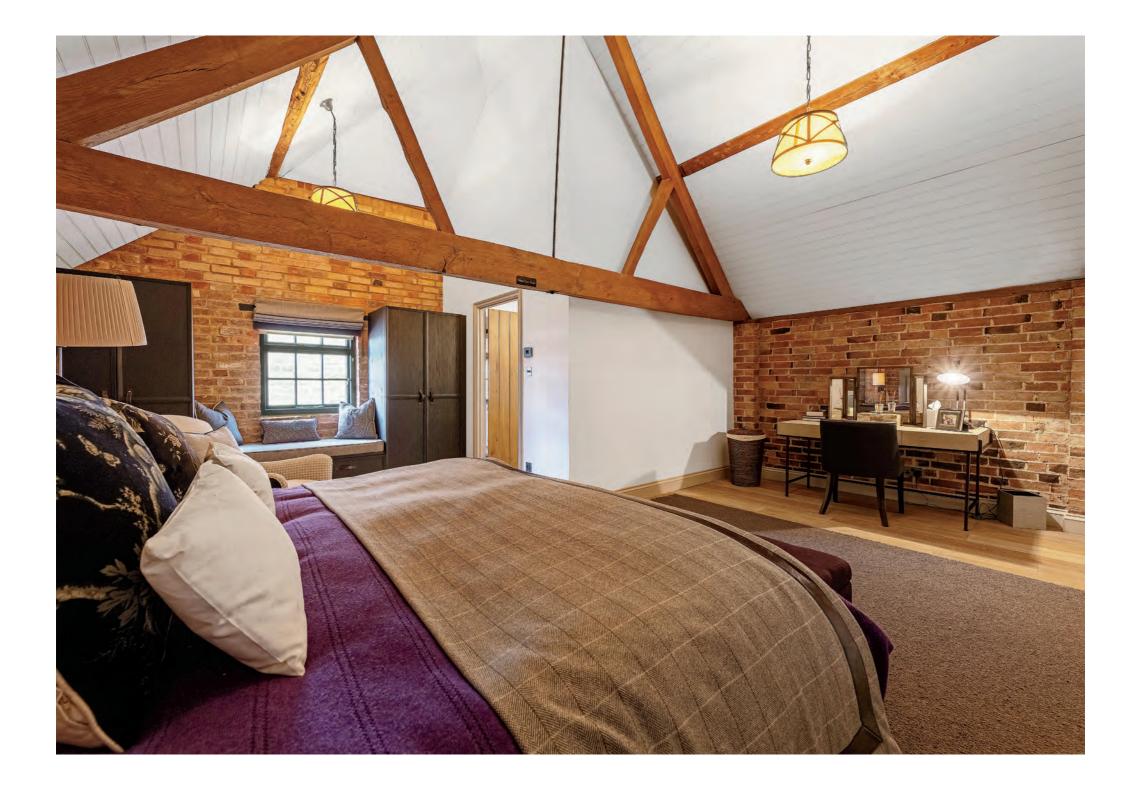

For anybody wishing to employ a house keeper or Au Pair, the staff cottage is another benefit set within the grounds.

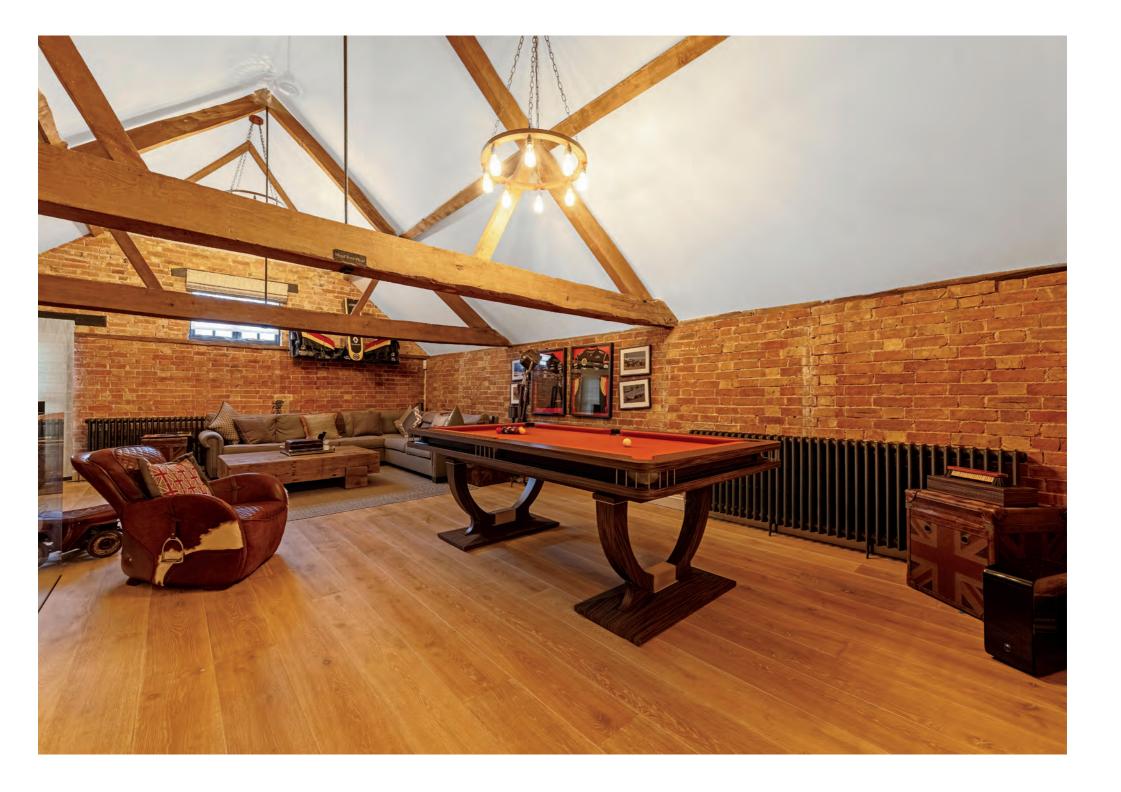

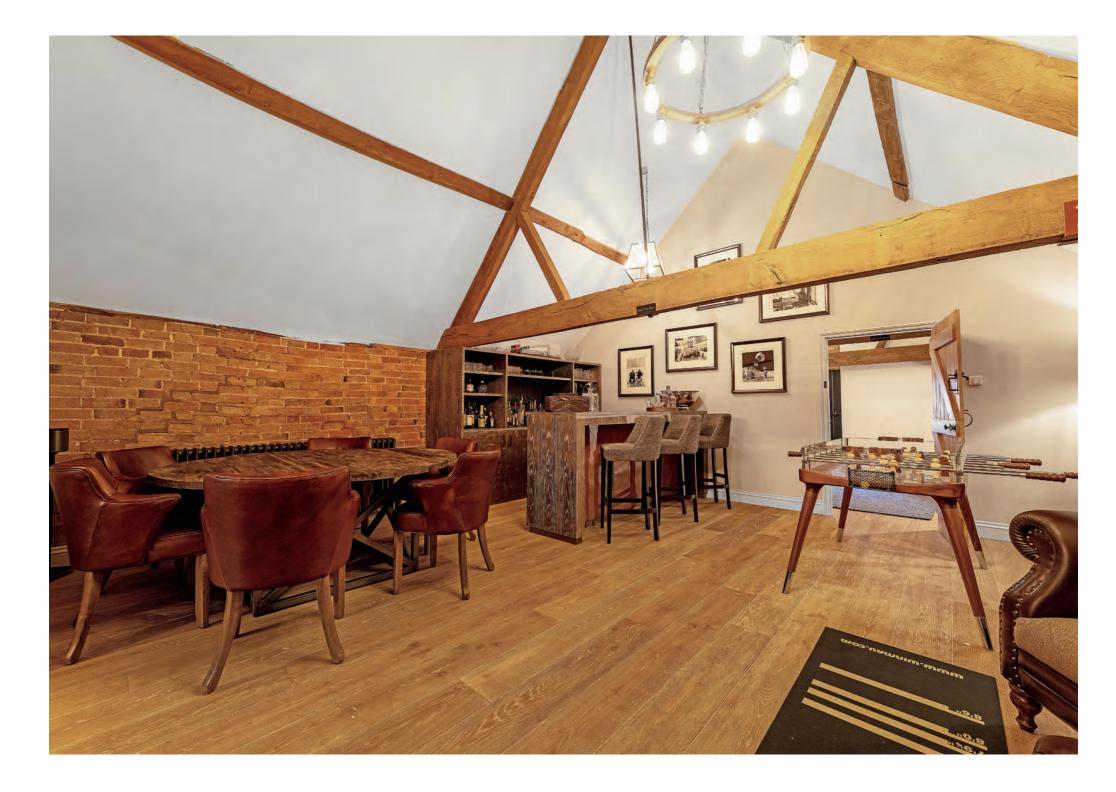

Outside

Beautiful mature gardens surround Stowe Castle with wonderful far reaching countryside views. There is a superb formal lawn with mature trees, again with wonderful views towards Stowe.

The gravelled driveway is accessed via an electric gate and leads to a courtyard, with access also provided to further parking and a separate exit. Stowe Castle also benefits from a further paddock, a helipad, two garages, and parking for around 10 cars.
