A door from the conservatory provides internal access to the double garage, which includes electric doors, a separate WC, and stairs leading to a spacious room above. Currently used as a laundry area, this space offers great versatility for a home office or studio. Upstairs, the principal bedroom is a bright dual-aspect retreat with wood panelling, built-in mirrored wardrobes, and an en-suite. The second bedroom is front-facing and filled with natural light. The top floor hosts three further bedrooms, one with an en-suite and another used as an office, plus a family bathroom with a rainfall shower.
