Deceptively spacious four double bedroom detached family home set in an enviably quiet spot on the estate near woodlands and nice walks. The home has a lot of accommodation to offer which in turn would suit a number of buyers and the current owners have put a lot of effort into creating the finish and making the home work for them. The property sits on a very generous corner plot and the property has had the integral double garage converted to make way for extra living space, this would make a ideal space for someone working from home and would work equally well for an older relative that would like more independent living. The accommodation on the ground floor comprises entrance hall, sitting room, office, W.C, kitchen/breakfast room, dining room, utility room and large conservatory as well as a converted double garage with it`s own access. The first floor has four generous bedrooms with an en-suite to the master as well as a separate family bathroom. Externally the rear gardens are well stocked with a variety of plants, flowers and shrubs. There is a large raised decking area as well as three generous storage sheds, with power and light. The gardens wrap around to the side of the property and are slightly elevated giving a good degree of privacy. There is a driveway to the front providing ample off road parking as well as a lawned area with pathway leading to the front door.

Set in the village of Taverham which boasts a wealth of amenities and facilities including convenience stores, health facilities, schooling, regular public transport links, pubs, restaurants and take aways to name a few. The village of Taverham is easily accessible from the Northern Bypass and there are great country walks near by.
