**** Guide Price £550,000 - £575,000 **** Detached imposing property with an abundance of space and a generous South facing garden located on the West of Norwich City Centre in the popular suburb of Costessey. The property has been dramatically increased in size and now offers flexible living and would suit families of multiple generations looking to combine their living arrangements yet retain their own privacy. The property has been completely modernised throughout and has Porcelain tiled flooring throughout the majority of the ground floor which also benefits from under floor heating. There is a show stopping kitchen family room to the rear of the home with bi folding doors to the rear and a sizeable ceiling lantern allowing light to flood into the room.

The kitchen comes with built in Miele appliances, a dishwasher and a coffee machine, inset lighting and ceiling fans, not to mention the built in speakers in the ceilings.

There are two further reception rooms which could be used as bedrooms, a large double bedroom with built in wardrobes and an en-suite bathroom, complete with bath and shower. There is also a secondary bathroom on the ground floor off the large entrance hall. Upstairs are two more double bedrooms and a good single, a family bathroom and a separate W.C.

The rear gardens are South facing and generous in size. There is a porcelain patio and then the rest of the grounds are mainly laid to lawn. There is a concrete pad directly outside the bi folding doors where the owner was going to extend further.

Situated in the suburb of Costessey with easy access to the A47 Southern Bypass which in turn links to all major roads out of Norwich and Norfolk.
