2 Bedroom Coachhouse located in Costessey

Welcome to Redpoll Road in Costessey, Norwich, this delightful coach house offers a perfect blend of modern living and convenience. Built in 2010, this property spans an impressive 786 square feet and has been meticulously maintained, with updated flooring completed in 2025.

As you enter, you are welcomed by a ground-level lobby that leads you to the main open plan living area. The heart of the home is the spacious 18-foot dual aspect sitting/dining room, which is bathed in natural light thanks to the French doors that open onto a lovely Juliet balcony. This inviting space is ideal for both relaxation and entertaining, providing ample room for a formal sitting and dining suite.

Adjacent to the living area, the kitchen boasts a contemporary design with a range of wall and base-mounted storage units, integrated appliances including a fridge/freezer, oven, and a four-ring gas hob with extraction. The open-plan layout ensures a seamless flow between the kitchen and living space, making it perfect for modern lifestyles.

The property features two well-proportioned bedrooms, both benefiting from the immaculate decorative order throughout. The second bedroom, currently used as a nursery, is versatile enough to serve as a single bedroom. The principal bedroom, located at the end of the hallway, is a generous double room with additional storage options. Just next door, the four-piece family bathroom is elegantly designed with a fully tiled surround, a shower over the bath, and a separate shower cubicle.

With allocated off-road parking to the rear and situated just a short walk from local amenities and the Longwater retail park, this coach house is an ideal choice for first-time buyers or investors. Additionally, its proximity to the University of East Anglia and the hospital enhances its appeal. This property truly represents a wonderful opportunity to enjoy comfortable living in a sought-after location. Added bonus that the sellers have found.
