Step inside and embrace the timeless charm of this character-filled home, where traditional stone mullion windows, exposed lintels, trusses, and beams come together in perfect harmony.

The dining room offers a welcoming ambiance, featuring a multi-fuel stove set within a stone surround, creating a perfect focal point. To the right, the main living room provides a cosy yet spacious retreat, enhanced by dual-aspect windows which offer views over the surrounding garden.

The kitchen is beautifully designed, exuding character with its elegant white panelled cabinetry, complementary granite worktop, and a charming cottage-style tiled splashback, whilst a classic farmhouse sink adds both style and practicality. Adjacent to the kitchen, a separate utility room provides the perfect space for storing coats and muddy boots, along with the added convenience of plumbing for a washing machine, a W.C., and a separate shower room, complete with direct access to the garden.

The garden room offers a bright and airy additional living space, featuring an apex ceiling and windows on three sides. Patio doors open seamlessly onto the garden patio, creating a perfect indoor-outdoor connection. Just off this room, a fourth versatile reception room currently serves as a cosy home office/snug but could easily transform into a further bedroom, offering flexibility to suit your needs.

Upstairs, the landing offers a generously proportioned space, ideal for a home office or a quiet seating area with picturesque views over the garden. The primary bedroom is a well-proportioned double, offering a pleasant front aspect and scenic views of the nearby church. An arched doorway leads to the ensuite shower room, which is beautifully modern, featuring stylish tiled surrounds, a walk-in shower with a waterfall showerhead and handheld attachment, a vanity sink, and toilet, all finished with nickel fixtures.

The two additional double bedrooms are full of character, neutrally decorated and boast ample space for all of your furnishings, with bedroom two having convenient built-in wardrobes. Completing this floor, the traditional bathroom boasts a delightful floral three-piece suite, including a pedestal sink, toilet, and bath with an overhead shower. A wall-mounted heated towel rail and brass fixtures add a touch of classic elegance.

As you arrive, a gated entrance welcomes you, leading to a spacious paved driveway with ample parking for multiple vehicles. The attached garage is fully equipped with power and lighting, offering practicality and convenience.

The garden evolves beautifully with the seasons, offering something new to admire year-round.

Designed with both aesthetics and function in mind, the garden is artfully arranged around mature trees, winding pathways, and inviting seating areas. A blend of stone, cobbles, and brickwork adds texture and contrast, enhancing the garden's charm.
