Step through the door into the entrance hall where there is ample space for hanging coats, where you will find access into the ground floor living spaces and stairs to the first floor.

Lead into the generous kitchen/diner, ideal for enjoying meals with the family with dining space and patio doors opening into the garden, making a great extension to the living space during the summer months. The kitchen itself is well fitted with wall and base units, complementary worktops and one and a half sink with drainer. With space for an undercounter washing machine and dryer, Neff integrated appliances include an oven and four ring induction hob with extractor over. There is also an integrated fridge and separate integrated freezer.

Back into the hallway, you are welcomed into the living room; a light and bright hub of the home with dual aspect windows and feature gas fireplace and hearth, setting the tone for those cooler evenings.

Follow the stairs to the first floor where you will find the well appointed sleeping accommodation and loft access from the landing which houses the boiler. Bedroom one is a light and bright double room with window overlooking the garden, enjoying ample space for additional furniture and the added benefit of a built in wardrobe. Bedroom two is situated to the front aspect, being a smaller double with a large integrated wardrobe and spacious separate cupboard, whilst bedroom three, currently used as an office, provides a great single bedroom to the front aspect.

Finally, the family bathroom comprises a bath with shower over, pedestal sink, W.C. and heated ladder towel radiator with complementary part tiled walls and Lino flooring.
