Step inside the property and be welcomed by the bright and inviting entrance porch/sun room - a perfect suntrap and an ideal spot to sit back and relax. The home features a tasteful neutral décor and modern finishes throughout, creating a warm and timeless atmosphere. Continue into the well-proportioned living room, with an elegant bay window overlooking the front elevation and a focal fireplace, offering ample space to incorporate a dining area if desired.

A cream carpet flows throughout the property and leads into the inner hallway, which provides access to all rooms and includes loft access via a ladder. The loft space, complete with a Velux window, power, and lighting, offers excellent additional storage and potential for conversion, subject to the necessary planning consents.

The kitchen is well-appointed with classic cream shaker-style cabinetry, wood-effect worktops, and a range of integrated Bosch appliances including a hob, oven, extractor, integrated dish washer and fridge freezer. There's also a one-and-a-half sink, complementary tiled splashback, and plumbing for a washing machine. Dual-aspect windows and a rear door allow natural light to flood in and provide access to the garden.

Adjoining the kitchen is a well-equipped garage, which houses the boiler and offers power and lighting - ideal for use as a workshop or, if preferred, could be converted to extend the kitchen and create a spacious kitchen-diner (subject to the necessary permissions).

The property offers three generously sized bedrooms, each presented as a blank canvas for personalisation. Bedroom one is located at the front of the home and features a bay window and built-in wardrobes. Bedroom two, with patio doors opening onto the rear garden and a Stovax log-burning fire, could serve equally well as a formal dining room or second sitting area. Bedroom three comfortably accommodates a double bed, making it a flexible space to suit a variety of needs.

This property sits on a generous and well-positioned plot, surrounded by beautiful natural gardens that enhance the overall appeal of the home. On approach, a gated entrance opens to a spacious front garden, complete with a neatly kept lawn and colourful flower borders. A well-laid pathway surrounds the property, providing easy access and linking the front and rear gardens, with a gated side entrance adding further convenience.

Ample off-street parking is available on a large gravelled driveway, but the rear garden is the true highlight, ideal for keen gardeners. It features a variety of established planting, including fruit trees such as apple, plum, blackcurrant, and gooseberry, as well as mature Acers, Maples, and a rich mix of shrubs that provide interest throughout the seasons and attracting an abundance of wildlife.
