Nicholls Residential is pleased to present this stunning two bedroom ground floor property to the market.

The accommodation comprises of an entrance hallway with two cupboards, a lovely Art Deco bathroom, two bedrooms, a modern kitchen and a large open plan living/dining room. The high ceilings give a real sense of space throughout and also provides space for a loft, which very few other ground floor flats will have meaning storage space is ample, something which ground floor properties often lack. Other features include the bathroom having a separate shower and the master bedroom has two built-in wardrobes. There are also two further storage cupboards in the hall.

The property features four double doors out onto a patio area. The communal gardens are well maintained and provide a lovely outlook from the large windows and doors.

Adding to the benefits of this property there are two allocated car park spaces and the lease has over 100 years. This really is a great first time purchase and offers the opportunity to live in a sought after, quiet area on the edge of the countryside but in walking distance to Epsom town centre and all of its amenities.

Epsom is a vibrant town featuring a mainline train station which goes to London, many bars, restaurants and cafes, a cinema, a leisure centre and The Ashley Shopping Centre.
