Spread over three spacious floors, the Burlington is a unique four-bedroom family home brimming with character, individuality, and opportunity.

Entering on the ground floor, you'll find an integral garage with convenient internal access, a guest WC, and a handy linen cupboard before making your way into the spacious open-plan kitchen and dining area which lines the rear of the home.

The Burlington's beautiful U-shaped Symphony kitchen comes complete with integrated and energy-efficient appliances, and sleek French doors extend the dining area into the rear garden.

Ascending to the first floor, you'll be welcomed by a well-lit lounge which sits to the rear of the home before making your way round to a sizeable double bedroom at the front. A second storage cupboard lines the hallway, and there is even enough room for a cosy little nook on the spacious landing.

On the Burlington's third floor sits three bedrooms; two spacious rooms to the rear of the home, and one enviable master suite to the front which is served by a sleek en-suite. The roomy landing also leads to a stylish family bathroom complete with half-height tiling, and a beautiful three-piece Ideal bathroom suite including a heavenly bath with an intelligent water-saving design.

The Burlington also features those little cherry-on-top touches that make all the difference, including high-tech energy-efficient appliances, soft-close cabinets, and a heavenly rain-head walk-in shower to the en-suite.
