The subject for sale offers an exciting opportunity to purchase an idyllic, level building plot, located in Caolis in the midst of spectacular scenery with panoramic sea views, sweeping over the harbour to the surrounding countryside. Situated between Milton Harbour and Loch an Duin on the north-easter edge of Tiree, with the backdrop of Dun Mor a'Choalais, the plot benefits from Full Planning Permission for a detached five bedroom dwellinghouse, boathouse with potential to create one further bedroom, and walled garden, plus installation of a septic tank and soakaway, and extends to around 0.3 acres. Full architect-designed drawings by Award Winning firm Denizen Works, who have a long history of superb projects on Tiree, are included in the sale should the purchaser wish. The Harbour Master at Milton has agreed use of a mooring, trailer launch and storage, from the natural slipway in the bay at the front of the plot. It should be noted that the ground to the front of the plot has a non-development clause meaning nothing can be built on the land, however it is to be used for access to the plot and its services.

Caolis is located around 5 minutes drive from Tiree Lodge Hotel, and around 10 minutes drive to the main town of Scarinish, which offers amenities such as the Co-op, post office, bank, hotel and ferry. The Isle of Tiree is the most westerly of the Inner Hebrides, relatively small and very flat with only three small hills and no woodland, the island is approximately 12 miles long by 3 miles wide. Known as the 'Sunshine Isle', Tiree benefits from the warm Gulf Stream and enjoys a mild climate with some of the highest levels of sunshine in the British Isles. Famed for its beautiful beaches, the island is host to the annual Tiree Wave Classic which attracts some of the worlds best surfers, and the ever-popular Tiree Music Festival, which attracts tourists in abundance. There is both primary and secondary education on the island, shops including two grocery stores and a doctors' surgery, bank, garage and veterinary surgery. The journey from Oban takes around 3.5 hours by boat, with regular flights available from Glasgow and Connel airports taking approximately one hour.
