Are you looking for somewhere that has versatile accommodation and potential! This deceptively spacious semi detached bungalow will fall into this category, the accommodation includes: entrance hallway with access to large loft space, large fitted kitchen/breakfast room, good size lounge, bedroom with ensuite, two further bedrooms, wet room, large conservatory.

The rear garden are lovely, mainly laid to lawn with a fabulous spacious summer house with more gardens behind, to the front there is an integral garage and driveway with plenty of off road parking.

A very versatile semi detached bungalow with generous living accommodation, the accommodation includes: great reception hallway, a lovely bright living room with double glazed patio doors to front, fabulous fitted kitchen/diner being a great size with a sun room/side lobby leading to garden, there is a beautifully finished wet room, three bedrooms, main bedroom with further large ensuite shower room.

The rear gardens are well nurtured and include a lawn with mature shrubs and flower borders leading to a great outdoor summerhouse with further gardens behind. To the front there is an integral garage with lots of off road parking.

In our opinion this has great potential with further possibilities to make the property even larger.

The property is located in a popular road and a convenient location within West Kingsdown. For motorway connections access to the M20, A20 and M26 are very close making a trip to Swanley or Bluewater Shopping Centre only a 20 minute drive approximately. For motor racing enthusiasts the Brands Hatch circuit is nearby but if you want the peace and quiet of the countryside you can find nearby the Pilgrims Way that cuts across the North Downs and offers beautiful countryside walks. London Golf Club is within close proximity.
