Interior

This delightful family home offers over 2,000 sq. ft. of accommodation and has been completely refurbished by the present owners. The ground floor commences with a welcoming entrance hall with period features and plenty of storage. There are two generous reception rooms, both beautifully presented with the rear lounge opening to a modern south facing conservatory with air-conditioning - making a great space for entertaining. The kitchen extends to some 22ft in length, with ample space for a breakfast table, and fitted with a contemporary range of fitted units with quartz worktops and high-end integrated appliances. The principal bedroom is an absolute treat with its own dressing area and luxury en suite bathroom with the remaining bedrooms served by the family bathroom.

Exterior

The front garden has been landscaped with a block paved driveway for 2/3 cars alongside mature shrub borders. The majority of the garage has been converted into living/storage space, although there is a section of the original garage which has been left accessible from the driveway. The rear garden has been transformed by the present owners, creating three distinct areas, starting with a patio area for entertaining, then a lawned area, perfect for children to play, and to the rear is a decked area with a sitting area, outside lighting and a timber shed.
