Reservoir Road, Whaley Bridge

This unique home is part of only three properties created from an 1899 Church/Masonic Hall which was thoughtfully converted around 1999. It is extremely spacious and the well planned accommodation is flexible and exhibits some of the original church features. The location of this home is also special as the stone conversion sits in a discreet plot off Reservoir Road which is one of the most prestigious roads in Whaley Bridge yet it has a short walk down to the town with excellent day shopping facilities, Peak Forest Canal at its heart and excellent commuter links by both train and bus.

The accommodation provides a dining hallway, fitted dining kitchen and an Office/bedroom 3 with wash/WC room. The first floor leads you to an impressive sitting room with original "A" frame exposed beams, two generous bedrooms and a bathroom. There is also a spacious attic room with ladder access. The property benefits from double glazing and gas central heating. Externally the property is set within the entrance of the Memorial park so it has very pleasant picturesque surroundings (there is currently ongoing engineering works to the Reservoir due to end 2024/25) and the property does own an allocated parking space. If you are looking for a unique and one off style of property with character then this home should be viewed.
