

Dartmouth Park Hill, Dartmouth Park, N19 5HL

Price Guide £1,500,000

Absolutely stunning Victorian Gothic Revival Church Conversion set within prestigious Dartmouth Park Hill.

This incredible home boasts an abundance of character and original features which include exposed brick walls, Gothic arched windows and Corinthian pillars. The generously sized open plan reception room has double height ceilings which allows plenty of natural light to flood the room, this leads to the outside patio, garden area and private gated parking space (suitable for two cars). The upper floor offers three double bedrooms where the master bedroom further benefits from an en-suite bathroom, each room has a great amount of storage space and there is also a three piece family bathroom. Further benefits of the apartment include a utility room (currently used as a laundry room) between the ground floor and upper level, a guest cloakroom on the ground floor and secure gated off-street parking. The kitchen area offers plenty of work surface space and also includes integrated appliances.
