Westwynd, located in Montford Bridge near Shrewsbury, is a charming detached bungalow that has undergone a comprehensive renovation, transforming it into a modern and comfortable home. Originally a two-bedroom property, the loft has been partially converted to create a third bedroom, with electrics and plumbing already installed, offering potential additional flexibility. The layout is open plan, featuring a newly designed kitchen, living room, and dining area, all connected by a striking double-sided log burner that serves as a delightful focal point between the living and dining spaces. The kitchen is equipped with high-end appliances, including a built-in oven, microwave, dishwasher, and bespoke solid ash worktops, catering to both style and functionality.

The renovation of Westwynd includes several key upgrades that enhance the property's appeal and efficiency. A new hot water system and wiring have been installed throughout, with provisions made for underfloor heating, should the new owner wish to complete this addition. The bungalow now boasts new double-glazed windows, which improve insulation and reduce energy costs, along with updated facias and guttering. The exterior has also been improved with the addition of a new lean-to, providing space to park a car or use as a workshop, and a new log store in the landscaped rear garden.

The outdoor space at Westwynd is both practical and inviting. A large, newly gravelled driveway offers ample parking for up to seven or eight vehicles, while the enclosed rear garden provides a peaceful retreat with access to a local footpath. The garden has been thoughtfully landscaped to include a log store, adding to the property's rustic charm. The rear conservatory is currently utilised as a utility area, complementing the integral garage. Overall, Westwynd presents an ideal blend of modern conveniences and country living, making it an attractive option for those seeking a well-appointed home in a serene location.
