MANAGED BY SAMUEL WOOD. Newly renovated, larger-than-average one-bedroom first floor flat with bay-fronted lounge, stylish kitchen-diner and green views in The Mount, Shrewsbury.

This newly renovated one-bedroom apartment is located on the first floor of this well-maintained Victorian property in the prestigious Mount area of Shrewsbury. Finished to an exceptional standard throughout, the flat combines fresh, modern interiors with generous proportions and a peaceful outlook, all within easy reach of the town centre and river walks.

Upon entering the flat, you're welcomed by a bright and neutrally decorated hallway, fitted with practical wood-effect flooring which continues throughout. A coat rack and intercom entry handset provide everyday convenience, while the zoned heating system — individually controlled in each room — adds comfort and efficiency.

The sitting room is positioned to the front of the property, featuring a striking bay window with far-reaching leafy views over an attractive residential street. The room is well-sized and tastefully finished, offering ample space for both lounging and entertaining.

To the rear lies a spacious kitchen-dining room, beautifully appointed with soft grey shaker-style units, marble-effect worktops and integrated appliances including electric oven and induction hob, built-in fridge and freezer, washer dryer and dishwasher. A deep white composite sink sits beneath a window with a lovely outlook over mature trees and gardens. There's plenty of room for a dining table, and alcove shelving adds charm and practicality.

The double bedroom is also set to the rear, filled with natural light from a large sash-style window and comfortably accommodating freestanding storage. It's a calm, restful space with a pleasant outlook.

The shower room is sleek and contemporary, comprising a walk-in glass enclosure with thermostatic shower, wall-hung WC, modern vanity unit with inset basin, heated towel rail and tiling in neutral tones.

Externally, the property is approached via a neatly maintained driveway with shared lawn frontage. The flat shares the main entrance with just one other apartment, accessed via an elegant communal hallway complete with stained glass window and traditional balustrading. An external intercom system allows for secure remote entry for guests.
