Set over three storeys, this character mid-terrace offers practical space close to town amenities. The ground floor has a sitting room with a feature wood burner, leading to a fitted kitchen with oven and hob and useful understairs storage. Beyond is a good size utility room with boiler, work surface and French doors to the rear. The property benefits from gas central heating and uPVC double glazing.

Outside, there is a small, enclosed rear yard with high stone boundary – a low-maintenance spot for a morning coffee or secure storage.

On the first floor a generous double bedroom sits alongside the family bathroom with shower over the bath. Stairs rise again to the top floor where a second bedroom with roof window provides a quiet retreat, ideal as a main bedroom, guest room or home office.
