Details

Living Room/Diner

A uPVC double glazed door opens to the living room. As the photographs suggest, this lovely reception room is packed with character, incorporating exposed stone walls, beams to ceiling, two uPVC double glazed windows with window seat and views over the patio, decking and garden beyond. There are power points, a wall light point and a radiator. The focal point of the room is a polished wood fire surround with granite style inset and hearth, home to a living flame gas fire.

Kitchen

The kitchen has a range of base cupboards, drawers, roll-edge worktops, tiled splash-backs and matching wall cupboards over. Integrated appliances include a split-level hob and double oven with overlying extractor hood, dishwasher and an inset, one and a half bowl, stainless steel

sink unit with overlying mixer tap. Natural light comes from the front elevation via a uPVC double glazed window. There is oak flooring, exposed beams to ceiling, ceiling light points and a radiator.

Utility

A most useful room which is home to the Baxi central heating boiler. There is plumbing for an automatic washing machine, tiled flooring, an under stairs store cupboard and a uPVC double glazed window providing natural light from the side elevation.

First Floor Landing

From the kitchen, a staircase rises to the first floor landing which has an array of exposed beams and stonework, power points and a radiator. This area is currently utilised as a work from home study.
