Details

Communal Entrance

An external communal entrance door gives access to the hallway serving the four apartments within this section. Stairs lead up to the first floor where the property can be found.

Entrance Hallway

An external door gives access to the apartment itself and its hallway which has a built-in airing cupboard with a cylinder, access to the loft area and an electric heater. There is decorative cornice coving and timber and glazed doors lead to the living room.

Living Room

This good-sized reception room was originally designed as a lounge and dining room. It is positioned at the rear of the apartment with sealed unit double glazed windows overlooking the communal gardens. There are various wall light points, cornice coving and a decorative timber fire surround with a marble-style composite inlay and hearth, home to an electric fire. The room can easily accommodate a good amount of furniture including a formal dining suite. There is also an electric heater.

Kitchen

The kitchen has wall cupboards and base units, working surfaces with part tiled surrounds and a one-and-a-half bowl sink unit with single drainer and mixer tap. Integrated appliances include a four-ring electric hob with a filter hood above and a fan oven. There is space for a washing machine and a freestanding fridge freezer. The room can accommodate a smaller-style breakfast table and is positioned to the rear of the apartment with double glazed windows overlooking the communal gardens.
