Details

Communal Entrance

An entry phone system gives access to the communal entrance hallway, and from here, this penthouse property can be accessed on the top floor via lift. An external door gives access into the apartment itself.

Entrance Hall

There is an open storage area with a hanging rail for coats, a telephone for the entry system, and an electric heater.

Living Dining Kitchen

This good sized open-plan eating and entertaining space is particularly light and bright, having a dual aspect with front and side uPVC windows. The kitchen area has wall cupboards and base units, along with working surfaces with matching up-stands and a stainless steel sink with single drainer. There is a built-in oven and electric hob, a stainless steel splashback, and a canopy style filter hood. There is space for appliances such as a freestanding fridge freezer and a washing machine. The worktops extend to create a breakfast bar area. The adjoining living/dining area enjoys a high, angled ceiling, and there are two electric heaters.

Bedroom One

This double bedroom has a uPVC window to the front elevation and a wall mounted electric heater. Being the master bedroom, this room has its own en suite.

Ensuite

There is a corner Quadrant style shower cubicle with curved doors, tiled interior, and a wall mounted shower attachment, along with a pedestal wash basin with tiled splashback and mirror above, and a low-level WC. There are tiled surrounds, an electric shaver point, and an upright towel heater.
