## Details

### Entrance Lobby

A composite entrance door with an opaque glazed panel gives access to the entrance lobby. This has an inset matwell and is the perfect place for shoes and coats, etc. There is wood-effect laminate flooring and a radiator. An internal door leads to the dining kitchen.

### Dining Kitchen

This is a very spacious open plan eating and entertaining room with plenty of space for a formal dining table. The room is particularly light and bright with front and rear uPVC windows. A feature has been made of the fireplace with painted brickwork, now housing storage units and a fan oven. There is an array of base units with working surfaces, tiled upstands and a two-ring electric hob with canopy style filter hood above. The twin bowl stainless steel sink unit has a central mixer tap and there is plumbing for an automatic washer. The room has a continuation of the laminate flooring and within the kitchen is the Worcester boiler for the central heating system. There are also three radiators. Steps lead down to the lower ground floor where the living room is positioned.
