Offers in the region of
£100,000

Not overlooked at the front and enjoying a southerly aspect is this three-bedroomed, through terraced property, priced to reflect the likely updating, modernisation and potential redesigning required. The property is offered with the advantage of vacant possession. It would be an ideal first home or investment opportunity and is convenient for local amenities. The accommodation comprises a living room and a separate rear kitchen on the ground floor. On the first floor are two bedrooms and a bathroom. A large third bedroom is on the top floor. The property also has a cellar. There is a gas-fired central heating system and sealed unit double glazed windows. Externally, parking is on road and informal. There is a garden area at the rear which is open plan with the neighbouring property but could be enclosed to create a private area.
