MARTIN THORNTON PLATINUM

This four double bed roomed, detached family home has an enclosed rear garden and offers well planned, perfect family accommodation. The property is perfectly placed for amenities within Lindley, well regarded local schooling and nearby shopping centre and motorway. It is an ideal commuting base with ease of access to the M62. The accommodation comprises an entrance hallway, living room with bay window, large open plan dining kitchen with doors out into the garden, adjoining utility and downstairs WC. On the first floor are four double bedrooms, the master with en suite shower room, and the family bathroom. There is a gas-fired central heating system, uPVC double glazing and a security system. Externally, to the front of the property is a double width block paved driveway, an integral garage and a lawned garden. The rear garden is enclosed by perimeter fencing and has a full width paved patio area, artificial grass and a timber decked seating area. The popular location and practical layout make this a perfect family home.

Details

Entrance Hallway

A canopied open entrance porch gives shelter from the elements and has courtesy lighting. From here, a composite external door with opaque glazed panels gives access to the entrance hallway. The initial portion has a robust carpet and beyond this is Karndean flooring. A staircase rises to the first floor accommodation and there is a radiator.

Living Room

This good sized reception room is positioned at the front of the property and has a bay window with uPVC glazing. The room extends slightly beneath the staircase which could be used for furniture or a desk, as an informal study area. There are two radiators.

Dining Kitchen

From the hallway, timber and bevelled glazed doors lead into

the dining kitchen which is positioned at the rear of the property. This is an open plan eating and entertaining area, particularly light and bright, with uPVC windows and French doors with matching screens on either side. The kitchen area has wall cupboards and base units with working surfaces, upstands and a one-and-a-half bowl sink with mixer tap. Integrated appliances include a four-ring gas hob with stainless steel splashback, canopy style filter hood and oven beneath. There is space for an American style freestanding fridge freezer and additional appliances are housed in the utility area. The room can accommodate a formal dining table and has access out into the garden which works particularly well when entertaining. There is ceiling downlighting along with floor tiling, provision for a TV and a radiator. An archway leads through to the utility.

Utility

This area has units with matching worktops and upstands and an integrated washing machine. A rear composite door gives access to the garden. There is a radiator and plenty of room to store shoes and coats, etc. A door leads through to the guest WC.

External Details

At the front of the property is a double width block paved driveway and an open plan lawned garden. The rear garden is enclosed by perimeter fencing and has a lockable timber gate with a paved pathway. The property enjoys a westerly rear aspect, benefitting from the afternoon sun. There is a full width paved patio area, also accessed from the utility and the French doors in the dining kitchen. Railway style sleepers have been used to create raised borders with coloured slate and two steps lead up into the garden where artificial turf has been laid for ease of maintenance. There is a timber decked seating area in the far corner and the garden is enclosed and has outside power, lighting and water.

Integral Garage

The garage has an up-and-over door, power and lighting. This area also houses the Ideal Logic boiler for the central heating system.
