Details

Entrance Hallway

An external timber door with an opaque glazed panel gives access to the hallway, which is particularly characterful and has a staircase rising to the first floor accommodation, beneath which is a useful storage cupboard. Of particular note are the decorative risers on the staircase. The timber floorboards have been exposed, there is coving to the ceiling and a picture rail. There is a radiator and a timber internal door leading to the living room.

Living Room

This good sized principal reception room is positioned at the front of the property and has a series of three sash windows overlooking the garden. The windows have folding timber shutters. A fire surround incorporates a decorative tiled hearth and inlay, home to an open gate. The room has coving to the ceiling, a picture rail, exposed floorboards, plenty of space for furniture and a radiator.

Kitchen

The kitchen has wall cupboards and base units, under unit lighting and woodblock style worktops. Integrated appliances include a Smeg four-ring gas hob with oven beneath, pull-out style filter hood and slimline dishwasher. There is plumbing for an automatic washer, a circular stainless steel sink with mixer tap and space for a freestanding fridge freezer. Concealed is the condensing Glow-worm boiler for the central heating. There are tiled surrounds and floor tiling. To the rear elevation is a uPVC window and an external multi-panelled glazed door. Access can be gained into the dining room.

Dining Room

This room can accommodate a good sized formal dining table and has oak flooring. A feature has been made of the chimney breast with a deep hearth and there is a floor-to-ceiling storage cupboard. There is a picture rail, a rear uPVC window and a radiator.

First Floor Landing

From the hallway, the staircase rises to the first floor landing where there is a drop-down ladder that gives access to useful storage within the loft space. There is a side uPVC window and painted timber floorboards.
