Details

Entrance Hallway

An arched open entrance porch gives shelter from the elements and has courtesy lighting. A composite external door with a decorative opaque glazed panel provides access to the hallway, where a spindle staircase with oak handrail rises to the first floor accommodation. Beneath the staircase is a large storage cupboard. The initial portion of the hallway as a robust matting/carpet and adjoining this is floor tiling. Twin timber doors with glazed panels lead to the living room and there is a radiator.

Living Room

This good sized, well-appointed reception room is positioned at the front of the property. The room has a dual aspect with front and side uPVC windows, can accommodate plenty of furniture and has a wealth of sockets and switches. There are two radiators.

Sitting Room

This versatile multipurpose space could be a home office, second sitting room, playroom or formal dining room. The room is positioned at the front of the property and is presented to a very high standard. A uPVC window overlooks the lawned garden, there is plenty of space for furniture and a radiator.

Dining Kitchen

At the end of the hallway, a timber and multipaneled glazed door provides access to the dining kitchen. This fabulous open plan eating and entertaining space runs almost the full width of the property and has access to the garden. There is a continuation of the tiling from the hallway. The kitchen area wall cupboards, base units, brick style splashbacks and matching upstands to the worktops. Integrated appliances include a five-ring gas hob with ceiling mounted, illuminated

canopy style filter hood and double oven. There is a one-and-a-half bowl stainless steel sink with mixer tap, space for a freestanding fridge freezer and plumbing for a dishwasher. The kick boards incorporate LED lighting. The worktops extend to create a breakfast bar area. The kitchen area has ceiling downlighting, plenty of sockets and switches and two radiators. The dining/living area is light and bright with a walk-in bay window incorporating uPVC glazing and central uPVC French leading to the garden. It can accommodate a large dining table. An archway leads through to the adjoining utility.

Utility

The utility has wall cupboards, base units, worktops, upstands and splashbacks to match the kitchen. There is plumbing for an automatic washer and space for a dryer. There is a continuation of the floor tiling, a rear composite door with a glazed panel and matting style carpet. The room has a radiator and access to the downstairs WC.

Downstairs WC

This has wall and floor tiling and a two-piece suite comprising a wall-mounted hand basin with Hansgrohe tap and a low-level WC. There is an extractor fan, a side opaque uPVC window and a radiator.

First Floor landing

From the hallway, a staircase rises to the first floor landing which has spindle balustrading with an oak handrail and is part galleried. At the far end is a uPVC window. A drop down ladder gives access to a useful loft area and the built-in airing cupboard houses the pressurised cylinder.
