Details

Kitchen

A uPVC door with a double-glazed insert opens to the kitchen area where there is a range of wall and base cupboards, drawers, roll-edge worktops and tiled effect splashbacks. Integrated appliances include a double oven, four-ring gas hob with overlying extractor hood and dishwasher. There is a composite one-and-a-half bowl sink unit with twin taps and plumbing for an automatic washing machine. Natural light is via a uPVC double-glazed window overlooking the front elevation. The room has tiled effect flooring, three ceiling light points and a radiator. Access can be gained to the following rooms:

Living Room

A timber door with a glazed insert opens to the living room, which has oak style laminate flooring, exposed beams to the ceiling and a dado rail. The focal point of the room is a stone fire surround and hearth with an inset gas fire. There is a ceiling light point, two wall light points and exposed stonework to the chimney breast. A sliding patio door provides access to the additional living area. A timber and glazed door leads to the rear entrance porch.

Rear Entrance Porch

The porch has fitted shelving and plenty of hanging hooks. There is a ceiling light point and a uPVC double-glazed door leads out into the rear garden.

Dining Room

From the living room, patio doors give access to the dining room where there is a ceiling light point and a radiator. This room could be used as a home office space. From here, a timber door leads to the conservatory.
