Details

Entrance Hallway

A uPVC door with a glazed over-light opens to the entrance hall, where there is a ceiling light point, hanging hooks and a radiator. A staircase leads up to the first floor landing and a timber door with glazed inserts leads to the living room.

Living Room

This good-sized reception room has plenty of room for furniture and a large uPVC double-glazed window overlooking the rear elevation. The focal point of the room is a gas fire set to a stone hearth with a mantel above. There is a radiator, along with coving to the ceiling and a ceiling light point. From here, a timber door gives access to the kitchen.

Kitchen

The kitchen has a range of wall and base cupboards, drawers, roll-edge worktops with brick style tiled splashbacks. Integrated appliances include a dishwasher and a stainless steel sink unit with mixer tap. There is space for a freestanding cooker and overlying extractor hood and space for a freestanding fridge and freezer. A uPVC double-glazed window overlooks the rear elevation. The room has tile effect flooring and a ceiling light point. A timber door gives access to the cellar.

Cellar

This large cellar is perfect for storage and has plumbing for an automatic washing machine. There is also a coal cellar.

First Floor Landing

From the entrance hall, the staircase leads up to the first floor landing where there is a ceiling light point and access can be gained to the following rooms:
