Entrance Hall

A composite door with double-glazed inserts and matching uPVC side panel gives access to the spacious entrance hall. This has plenty of room for storing shoes and coats; laminate style flooring, a dado rail, a radiator and a ceiling light point. A uPVC double-glazed window provides light from the front elevation and a staircase leads up to the first floor landing. Access can be gained to the following rooms:

Downstairs WC

This room has a continuation of the laminate style flooring. The white suite comprises a pedestal hand basin with a mixer tap and tiled splashback and a low-level WC. There is a mirrored vanity unit, a chrome ladder style heated towel rail, a ceiling light point and a uPVC double-glazed window to the side elevation.

Kitchen Diner

This room is positioned at the rear of the property, with a large uPVC window overlooking the rear elevation. The kitchen area has a range of high gloss wall and base cupboards, drawers, roll-edge worktops with matching upstands, extending to create a breakfast bar with lighting above. Integrated appliances include a four-ring gas hob with overlying canopy style filter hood, double oven, microwave, Bosch dishwasher, fridge freezer and a one-and-a-half bowl sink unit with a mixer tap. There is a useful storage cupboard, tiled effect flooring and a radiator. The dining room area enjoys a continuation of the tiled effect flooring and has plenty of space for a formal dining table. There is coving to the ceiling, a ceiling rose, a ceiling light point and a set of uPVC French doors providing access to the rear garden. A timber door gives access to the utility room.

Utility Room

This room has a continuation of the tiled effect flooring, along with a range of high gloss wall and base cupboards, an inset stainless steel sink unit with twin taps and plumbing for a washing machine. A uPVC door with a glazed panel gives access to the rear elevation. From here, a timber door gives access to the double garage.

Double Garage

The garage has an up-and-over door, plenty of space for storage, power and light. This area is home to the gas central heating boiler.

Living Room

This room is positioned at the front of the property and enjoys lots of natural light via a large uPVC double-glazed window. It is particularly spacious and has coving to the

ceiling, a ceiling light point and a radiator. The focal point of the room is an electric fire set to the chimney breast.

First Floor Landing

From the entrance hall, a staircase gives access to the first floor landing, where there is a uPVC window overlooking the front elevation. It has two ceiling light points, access to loft space and a useful storage cupboard, perfect for linen, etc.

Bedroom One

This double bedroom is positioned at the front of the property and enjoys natural light via a uPVC double-glazed window. There is plenty of space for furniture, a ceiling light point, a radiator and access to an en suite bathroom.
