Details

Entrance Lobby

An external uPVC door with an opaque overlight gives access into the entrance lobby. A timber and glazed door leads into the living room.

Living Room

This good-sized reception room is positioned at the front of the property and has a uPVC window. It is definitely a blank canvas, but will give buyers the opportunity to decide how to design it. There is a radiator, a staircase leading up to the first floor accommodation and a door through to the kitchen.

Kitchen

The kitchen is positioned at the rear of the property and overlooks the communal rear garden area. The units have been completely removed and it is a blank canvas, but houses the boiler for the central heating system, power and water supplies. There is an external uPVC door and access down to the basement.

Basement

The basement could be made into a utility or workshop area. It has a single-glazed window to the front elevation and a radiator. The fuse board is located in this area and it has an adjoining coal store.

First Floor Landing

From the living room, a staircase rises to the first floor landing, which has a rear uPVC window, a staircase to the top floor bedroom and a radiator.

Bedroom One

This large double bedroom is positioned at the front of the property and has twin windows. There is plenty of space for furniture and a radiator.

Bathroom

This good-sized bathroom has a three-piece suite comprising a panelled bath with an independent shower over, pedestal wash hand basin and a low-level WC. The airing cupboard could be removed to create more space, or redesigned to potentially incorporate a shower cubicle. There is a rear uPVC window and a radiator.

Bedroom Two

From the first floor landing, a staircase rises to the top floor bedroom. This double room has a rear uPVC window, access to extensive storage within the eaves and a radiator.

External Details

There is resident on-road parking and use of a communal garden area to the rear.

Tenure

The vendor informs us that the property is leasehold and we await further information.
