Details

Entrance Lobby

An external uPVC door with decorative opaque glazed panels gives access to the entrance lobby. There is a staircase rising to the first floor accommodation and a door leading to the dining kitchen.

Dining Kitchen

This good-sized room can accommodate a formal dining table. It has kitchen units on either side with worktops and a twin-bowl stainless steel sink unit. Integrated appliances include a five-ring gas hob with a canopy style filter hood above and an electric fan oven below. There is a breakfast bar with a radiator beneath, plumbing for an automatic washer or dishwasher and space for a fridge freezer. To the front elevation, there is a uPVC window. Access can be gained to the cellar.

Living Room

This large formal reception room is positioned at the front of the property and has two beams to the ceiling. There are windows to the front elevation and a timber fire surround with a marble finish inlay and hearth, home to a coal effect gas fire. The room has wall light points and a radiator.

Conservatory

Positioned at the rear of the property, this multipurpose room could be used as a formal dining room or a playroom, etc. It has uPVC double-glazing and a stable style rear door.

First Floor Landing

From the entrance lobby, a staircase rises to the first floor landing. This large landing has a uPVC window and a radiator. Access can be gained to the loft space.
