Plan produced using PlanUp.

Entrance Porch

At the side of the property, the entrance porch has uPVC double-glazed windows to three elevations and a uPVC door with a decorative double-glazed insert. There is a ceiling light point, tiled flooring and plenty of space for storing coats and shoes.

Entrance Hallway

A uPVC door with a decorative double-glazed insert opens to the entrance hall, where there is a ceiling light point, a radiator and laminate style flooring. There is access to loft space and a useful storage cupboard with shelving.

Kitchen

A timber and glazed door opens to the kitchen, which has a range of wall and base cupboards, drawers, roll-edge worktops and a one-and-a-half bowl stainless steel sink unit. Integrated appliances include an oven and four-ring gas hob with an overlying filter hood. There is plumbing for an automatic washing machine, space for a freestanding fridge freezer and space for a freestanding dryer. This room is home to the Worcester central heating boiler. There are uPVC double-glazed windows to three elevations, allowing lots of natural light, along with tiled flooring, two ceiling light points and a radiator. The control panel for the Texecom alarm system is located in this room.

Living Room

This reception room is positioned at the front of the property and has a large uPVC double-glazed window and laminate flooring. It has four wall light points, coving to the ceiling and a radiator. The focal point of the room is a gas fire, set to a marble hearth and surround.

Details

Bedroom One

This double bedroom is positioned at the rear of the property and has a uPVC double-glazed window overlooking the rear elevation. There are fitted wardrobes with hanging rails and shelving, plenty of space for further furniture, a ceiling light point and a radiator.

Bedroom Two/Dining Room

This room is currently used as a dining room, but could be a second bedroom. It has fitted wardrobes and overhead storage, along with a ceiling light point and a radiator. Access can be gained to the rear garden via uPVC sliding patio doors.

Bathroom

The bathroom has a white suite comprising a corner shower cubicle with a curved screen, home to a Mira electric shower, a pedestal wash hand basin with twin taps and a low-level WC. There is a uPVC double-glazed window to the side elevation, ceiling downlighting, an extractor fan and a ladder style heated towel rail.

External Details

At the front of the property, there is a tarmacked driveway, providing off-road parking, and a low-maintenance pebbled area with mature shrubbery borders. A timber gate gives access down the side of the property to a single garage with an up-and-over door, personal door, power and light. There is an external water point and outside security lighting. At the rear of the property, there is a low-maintenance flagged garden area with fenced borders, perfect for outdoor entertaining.

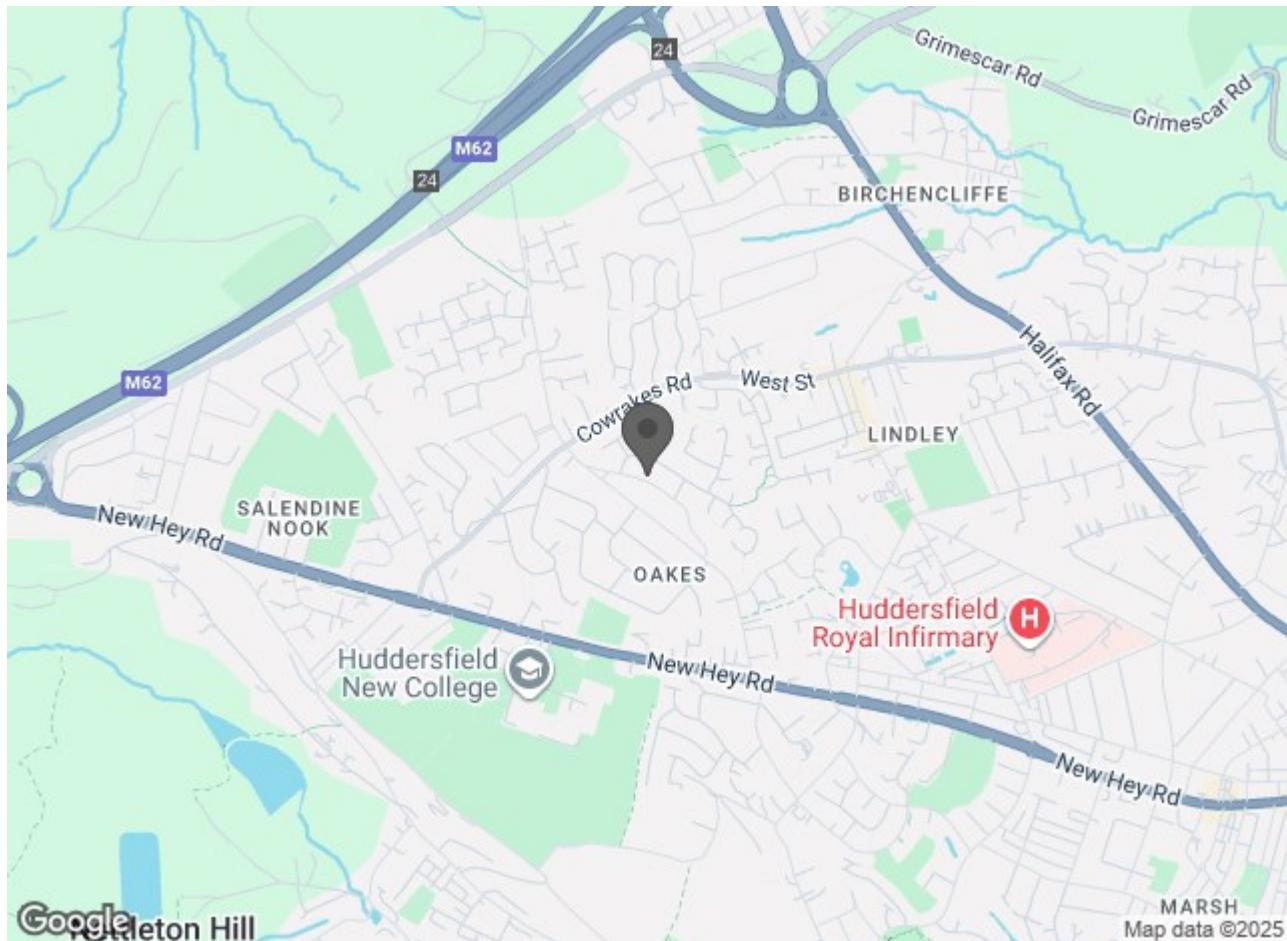

Tenure

The vendor informs us that the property is freehold.
