## Location

The business is located on West Market within a small shopping parade close to the local school, shops and amenities. There are excellent transport links to nearby towns of Morpeth, Ashington or Ellington.

## Business Description

Our clients took over the unit in early 2021, investing substantial funds into the infrastructure, decoration, equipment and fixtures & fittings. Since trading started the business has built up an excellent reputation with many longstanding and repeat customers from over the counter and delivery service. Whilst the current owners have established a very successful business, they recognise that there is room for further growth by extending the existing hours and adding Just Eat.

The business sells a range of products including Pizzas, Kebabs, Burgers, Wraps, Parmesans, Chicken, desserts and much more.

***\*business has recently ceased trading, but retains all fixtures, fittings and equipment.***
