Location

The property is prominently located at 15 Walker Terrace, in the heart of Gateshead town centre. The office benefits from excellent transport links, being only a short walk from Gateshead Interchange, which provides access to the Tyne & Wear Metro system, regional bus services, and connections to Newcastle upon Tyne.

Walker Terrace is situated just off High Street, offering convenient access to a wide range of local amenities, including shops, cafés, banks, and restaurants. The location also provides quick road access via the A184 and A167 to the wider road network, including the A1(M), making it an ideal base for businesses serving both Gateshead and the wider North East region. Newcastle city centre lies just across the River Tyne, less than a mile away, accessible on foot via the Tyne Bridge or by Metro in a matter of minutes. The area has seen significant investment and development in recent years, further enhancing its reputation as a thriving business location.

The Premises

We are pleased to bring to the market this ground floor and basement office space within an end-terrace, two-storey building, forming part of a distinguished mid-19th century Grade II listed terrace. Constructed of attractive local pink brick with stone dressings and a traditional Welsh slate roof, the property retains a wealth of original period features, including sash windows that enhance its historic character.

The ground floor provides a welcoming communal entrance area, large open plan office with three smaller offices. The basement provides kitchen and two WC facilities.

The first floor of the building is occupied by Meikles a solicitor's firm. While the premises have most recently been occupied as offices, the property lends itself to a variety of alternative uses, subject to the necessary planning permissions and use class consents.
