This particular property is the only one with a large side garden in addition to the generous rear garden, providing huge potential for extension (STPP). Internally the house is filled with natural light and features a spacious layout with accommodation in excess of 1,200sqft comprising: entrance hall with downstairs W.C, impressive reception/dining room with views of the rear garden, separate kitchen, study, three bedrooms and a family bathroom. Outside there is an enclosed 49ft side garden along with a 42ft South/West facing rear garden, beautiful communal gardens and the added benefit of a garage with residents parking. This is the first time the house has been offered to the market since 1968 and an internal viewing is highly recommended to fully appreciate what this stunning house has to offer.

Beechrow is a sought after development of just ten houses situated adjacent to Ham Common Woods and a short walk from the River Thames and Richmond Park. This is a wonderful environment for a family being ideally positioned between Kingston and Richmond town centres with their extensive range of shops, restaurants and overland & underground stations providing services to Waterloo and the City. The local shops and bus routes of Ham Parade are close by and Ham common is a short distance away. The standard of schooling in the immediate area is excellent within both the private and state sector.
