Welcome to this charming 2 bedroom terraced cottage located on Bounsalls Lane in the popular market town of Launceston. This period (not listed) cottage boasts character and is well-presented, offering a cosy retreat for its future owners.

As you step inside, you are greeted by a cosy reception room, perfect for relaxing with an exposed wooden floor. To one side is an open fireplace (currently blocked off). Open plan access is given through to the modern kitchen with a range of modern eye and base level units with integrated appliances. A further door opens into the rear passageway perfect for storage and potentially utility area. To the corner is a ground floor W/C.

The cottage features two double bedrooms, ideal for a small family, a couple, or as a peaceful holiday retreat. The master bedroom is front aspect where bedroom 2 has french doors out to the rear garden. The cottage includes a first floor shower room which has been refitted in recent times.

The rear garden which is accessed from the first floor is a great size and has currently been landscaped with low maintenance gardening in mind. However there is tremendous scope for a purchaser to add their own stamp. At the top of the garden a view is enjoyed towards the castle. A separate shared path off windmill Hill provides a secondary access into the garden. Situated in a convenient location, this cottage provides easy access to local amenities. Although the cottage had no formal parking there is plenty of on street parking nearby in the town centre.
