Enjoying a convenient position close to the town centre is this modern terraced town house offering 3 double bedrooms. The accommodation is spread over 3 storeys and has a patio style garden and useful single garage.

You step into a hallway with a staircase to the first floor. A door opens into the dual aspect sitting/dining room. French doors from the dining area opens out to the patio style garden. On the first floor is a rear aspect enclosed balcony ideal for somewhere to sit. The kitchen is again rear aspect with a range of eye and base level units and plenty of worktop space. Also on this floor is a great size double bedroom and ample space for bedroom furniture. On the second floor are 2 further double bedrooms and a family bathroom with a matching suite including a separate shower enclosure.

Adjoining the rear of the property is a level patio style garden. The single garage is a perfect space for a car or indeed storage. Subject to planning permission there is scope to incorporate the garage into the ground floor accommodation creating a large reception area. Opposite the garage is an allocated off road parking space.

The property requires a degree of updating but allows a purchaser to add their own design and style. The property would make an ideal first time purchase or buy to let investment.

The town itself offers a variety of individual businesses from boutiques to fine food shops, blending with occasional national outlets including Tesco, M&S Food and Costa coffee.
