Tremain | Camelford

Guide Price £450,000

A deceptively spacious and well-presented 3-bedroom detached bungalow set in a peaceful village setting. The property is approached via a sweeping gravelled driveway, providing off-road parking for several cars and turning space leading to a single garage and workshop. There are established gardens providing impressive seasonal colour.

The property includes a generous reception space with an open-plan 'L' shaped living room and dining room leading into a conservatory overlooking the rear garden. Double gothic style doors with stained glass inserts lead from the dining room into a well-appointed modern kitchen which in turn leads into a useful utility room with a door to the garden. The hallway provides a welcoming entrance to the property and features a cloakroom with a WC and a useful storage cupboard. There are 3 spacious bedrooms, 2 of which have fitted wardrobes, plus a remodelled bathroom with attractive tiling.

There is gated access to the property leading onto the gravelled driveway which has lawned areas to both sides and a range of plants and shrubbery. There is access to both sides of the property, leading around to the rear where there are impressive planted gardens wrapping around to the side of the property. There is a small orchard, the LPG tank for the central heating, and a summerhouse alongside a pond. The property would suit buyers looking for a private and peaceful location.
