Deceptive externally, viewing of the interior is essential to appreciate the unique layout which has been designed to utilise the maximum space. Ideal for purchasers requiring the space & accommodation of a large family home, whilst being mainly one level, Spring Lane has the benefit of bedroom & bathroom accommodation on both floors. At an impressive floor size of approx. 2380.2sq ft, the accommodation includes reception porch to dining hall, breakfast kitchen with an extensive suite of matching white units and a good size utility room with separate pantry. Tremendous potential exists to reconfigure this space to create a large open plan area to include a dining kitchen with family area (Subject to Planning Permission). At the front of the property is a charming 24ft living room with feature fire place, creating an excellent space to entertain large families etc. From the dining hall, an inner hall leads to the ground floor bedroom accommodation with three double bedrooms, an ensuite shower room and a well-appointed white family bathroom. Adjacent to the living room is a useful study with access to the conservatory and double width garage. A concealed staircase leads to the first floor bedroom suite with ensuite shower room and a large balcony overlooking the fields at the front. This layout could quite easily be used as a separate annexe format for housing aged relatives, independent teenagers or of course visiting guests.

The bungalow benefits from a generous corner plot with a paved driveway at the front providing off ample off road parking and leads to the double garage. The neatly landscaped surrounding gardens provide a most picturesque & tranquil setting whilst maintaining the upmost privacy with views over adjacent meadows. The south-facing rear garden also has the use of an insulated summer house with power & lighting and could be used for a multitude of purposes i.e. home office, hobbies room etc.

Although Spring Lane enjoys a rural setting, the property is still conveniently situated for easy access to Codsall & Brewwood with the facilities therein and both M6 & M54 motorways are only minutes away, for commute to principal towns & cities.
