OUTSIDE

The property is accessed via a 5 bar timber gate which opens onto the gravelled driveway, the driveway provides off road parking for several cars and also provides access to the timber garage. From the drive, a paved path provides access to the

entrance door and continues to the rear of the building and leads to the rear garden and patio area.

The rear garden extends to approximately 1/3 of an acre (stms), within the garden is a sheltered patio area directly off of the lounge and 2 ponds. The majority of the garden consists of laid to lawn with well stocked flower beds and borders. within the garden there is also a greenhouse and a large workshop with power and lighting. A low level picket style fence secures the generous size vegetable plot and to the far end of the garden is the 'wild garden' which provides a different theme to this beautiful garden and attracts various species of wildlife. Words truly do not do this wonderful garden justice, the rear garden must be seen to be fully appreciated.

SERVICES

Oil fired central heating
Septic tank drainage in rear garden

AGENTS NOTE

There is a flying freehold above the alcove in the lounge.
