OVERVIEW

Henleys are proud to market a series of brand new, 2 bed, spacious luxury lodges located right on the beach in Bacton.

The lodges are built to a very high specification by quality manufacturers. Bacton has a beautiful sandy beach right on the doorstep of the complex which has yet to be truly discovered and offers stunning walks and the chances are, that you might not meet anyone!

Close by is the coastal village of Mundesley which has been voted one of the best beaches in the UK. In either direction you will find solitude and wide open skies. Bacton itself has a number of shops, pubs and take-aways.

The complex has been acquired by a national holiday park company and is investing heavily to upgrade its facilities. Further up the coast is the famous coastal town of Cromer, renowned for its beach, its award winning pier and the delicacy the Cromer brown crab which is caught off the coast and exported all around the world. Head south and once again there are quiet beaches which are relatively undiscovered.

LEASE/SITE LICENSE

The lodges will be sold with a brand new 99 year lease/site license.

Annual site charges are £4700+VAT

Estimated running costs:

Electricity £4-500 p.a.
