Area

Much of North Norfolk is officially designated as an Area of Outstanding Beauty and is a predominantly rural area. However, it is rare to find a property in a truly rural location well away from main roads and passing traffic. Tuppeny Grove is one of these rare locations comprising just a pair of houses and a bungalow beside a narrow lane surrounded by fields and woodland. However, Holt is just over 3 miles away and other nearby towns are within easy reach along with stunning beach within easy access.

The village of Baconsthorpe is set in the heart of the Norfolk Norfolk Countryside, just 4 miles South East of Holt and 5 Miles from the nearest beach and railway station at Sheringham. It boasts the ruins of a 15th century fortified manor house with moat, known as Baconsthorpe Castle which is an English Heritage site, and lovely for picnics.

There are primary schools at Holt and Sheringham and the nearby villages of Greshams and Aldborough. Baconsthorpe is in the catchment area for Sheringham High School and sixth form. Both towns play host to a wide range of excellent shopping and leisure facilities. The Bittern line train operates between Sheringham Norwich.
